

Juliette Woodcock | Line Producer

Juliette (Jools) Woodcock is an LP that has been working solidly in Film and Scripted TV Production for over 20 years. She started her career as a Lighting Designer and Stage Manager in Opera before making the move into Film and TV. Jools brings knowledge and experience that simply cannot be learnt overnight or from a handful of projects. Her CV boasts a variety of HETV programmes, feature films and Series for US studios & UK broadcasters.

Her skill set is extensive having filmed with Hollywood A listers, dealing with SAG, Equity paperwork, working with amort and pattern (US style) budgets as well as forecasting. She enjoys a good working relationship with many studios.

Jools really enjoys foreign filming and has had considerable experience. She has filmed projects over several different countries and continents and has worked in extreme weather, both hot and cold with very challenging terrains. Jools is also used to working with carnets and visas, children and animals and all the challenges they bring!
