

Aina Sabaté-Giralt | Script Supervisor

Aina possesses a wide spectrum of technical skills. Trained as a traditional Script Supervisor on a big budget multi camera TV show, she became a digital Script Supervisor mastering Script-E and later gaining the Certified qualification. Aina is experienced on both feature films and television and is fluent on fast paced multi-camera shoots as well as VFX and Stunt Units. Her native languages are Spanish and Catalan, which have proved very useful on shows like Game of Thrones.
