

Harriet Thompson | Makeup & Hair Supervisor

Harriet has worked on a variety of high profile feature films & TV series (House of the Dragon, Fast & Furious, Infinite & more) . She has accumulated a vast range of knowledge in make-up and hair and builds strong relationships with the cast and crew she's working with in order to understand their needs.

Harriet is creative, hardworking and has great communication and personal skills that allow her to excel at leading and organising teams (whether it be main team, crowd or 2nd unit supervising).

Harriet loves the process of creating a character from a script and is passionate about character based make ups.

Her other specialities include beauty, male grooming & barbering, blood & gore, prosthetic application, tattoos, and wig & facial hair application.

She works on period & contemporary projects and works confidently with all skin and hair types.
