Liam Shorrock | Production Co-ordinator

A dependable and experienced Production Coordinator with nearly 19 years in the TV and film industry, I specialise in HETV drama and feature films. I've supported a broad range of productions both in the UK and internationally, bringing a calm, solutions-driven approach to high-pressure environments.

My key skills include coordinating complex travel and accommodation logistics, managing contributor and talent movement, supporting large production teams, processing clearances and compliance paperwork, and handling budgets and reconciliations and much more! I'm confident in managing junior crew, working closely with production managers, and navigating fast-paced shoots with professionalism and attention to detail.

With experience living and working abroad, I'm adaptable, highly organised, and thrive on building strong working relationships across departments. I'm known for being reliable, collaborative, and always ready to get stuck in—whether in the office or on location.
