

Nerissa Gill | Production Designer

Nerissa started her career 22 years ago in Cape Town South Africa. She is enthusiastic and creative, and prides herself on always working fairly and efficiently with any team. She loves art, interior design, history and creating, decorating both interior and exterior sets. She enjoys researching and working in a creative environment, putting to use her excellent people and negotiating skills. She has worked both in South Africa and the UK on series and features films. Nerissa is also fluent in Afrikaans.

Nerissa also co-owns 'Mockingbird' - a prop hire house based in West London Film Studios.
