Panni Lutter | Set Decorator

Panni Lutter has been working as a set decorator for over 15 years, both in Hungary and internationally. She began her career in commercials with Hungarian and European film productions. Over time her work has become increasingly focused on primarily American productions. For more than a decade, she has also been the owner of Made In Helsinki, her own set decoration company group. Panni holds a EU and Canandian Passport and is open to travelling for work.
