

Tom Brown | Production Designer

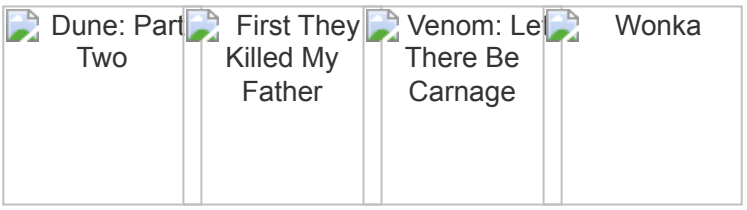

Tom Brown is a sought-after Production Designer and Supervising Art Director working across feature films and high-end television. As a Production Designer, his credits include *Luther*, *Line of Duty*, and *Strange*. As a Supervising Art Director, he has contributed his craft to some of the most visually ambitious and commercially successful productions in cinema history, including *Tinker Taylor Soldier Spy, Masters of the Universe*, *Dune: Part Two*, *Dune: Part One, Venom: Let There Be Carnage* and *Wonka.*

Tom has collaborated with directors including Denis Villeneuve, Angelina Jolie, Paul King, and Clint Eastwood, alongside leading Production Designers such as Patrice Vermette, Nathan Crowley, Guy Dyas, and Maria Djurkovic. Combining creative vision with extensive technical expertise, he brings a collaborative, practical approach to productions of every scale, from premium television dramas to major studio features.
