

Rebecca Gillies | Set Decorator

Rebecca is a Set Decorator, and Location Set Decorator with more than 30 years of experience working across Film, TV, and Commercials.

She started her career as a Stylist coming from a background of working in advertising and on ELLE magazine. Previously she worked as an antiques dealer for three years following on from art school, where she studied fashion textiles. She brings these many skills to the table when she takes on a project and has a wealth of knowledge which translates into a keen eye for detail in her beautiful sets.

She has a Masters Degree in English, and speaks conversational French.
